INDEPENDENT AUDITORS' REPORT

To The Board of Directors
Washington County Local
Development Corporation
Fort Edward, NY 12828

We have audited the accompanying statement of financial position of Washington County Local Development Corporation, a component unit of Washington County, as of December 31, 2012, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our overall opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Washington County Local Development Corporation as of December 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated February 8, 2013 on our consideration of Washington County Local Development Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Washington County Local Development Corporation's internal control over financial reporting and compliance.

Notes to Financial Statements

December 31, 2012

Summary of Significant Accounting Policies

The summary of significant accounting policies of Washington County Local Development Corporation is presented to assist in understanding the Washington County Local Development Corporation's financial statements. The financial statements and notes are representations of the Washington County Local Development Corporation's management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Organization

Washington County Local Development Corporation was incorporated in 1985 under the Not-for-Profit Law of the State of New York for the purpose of relieving and reducing unemployment by promoting and providing job opportunities for low to moderate income residents of Washington County. This is accomplished through loans to qualifying employers. In 1986, Washington County contracted with the Local Development Corporation to administer a revolving loan program created by the repayments of low interest loans issued by the Washington County Community Development Program. The County Board of Supervisors assigned all loans to the Local Development Corporation for no consideration. The Local Development Corporation is a component unit of Washington County and is included as such in the County's general-purpose financial statements.

Revenue Recognition

The Washington County Local Development Corporation's primary source of revenue is from principal and interest repayments received on loans issued by the Local Development Corporation through the HUD Program and the Intermediary Relending Program.

Accounting Method

The Washington County Local Development Corporation accounts for all transactions on the accrual method of accounting.

Allowance for Doubtful Accounts

Bad debts are provided on the allowance method based on historical experience and management's evaluation of outstanding loans receivable at the end of each year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Washington County Local Development Corporation is an exempt organization under Sec. (501)(c)(4) of the Internal Revenue Code. As of December 31, 2012, the tax years that remain subject to examination by taxing authorities begin with 2009.

Cash and Cash Equivalents

For purposes of the statement of cash flows, Washington County Local Development Corporation considers all highly liquid debt instruments purchased with a maturity of 90 days or less to be cash equivalents.

DEVELOPMENT CORPORATION

Notes to Financial Statements

December 31, 2012

Concentration of Credit Risk

Financial instruments which potentially expose the organization to concentration of credit risk consist primarily of loans receivable. Management considers the loans net of allowances to be fully collectible.

Washington County Local Development Corporation had funds on deposit at local banks totaling \$1,428,900 at December 31, 2012. These deposits are fully insured by Federal Deposit Insurance Corporation, pledged collateral and a letter of credit.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To The Board of Directors
Washington County Local
Development Corporation
Fort Edward, NY 12828

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Washington County Local Development Corporation, a component unit of Washington County, which comprise the statement of financial positions as of December 31, 2012, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 8, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Washington County Local Development Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Washington County Local Development Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Washington County Local Development Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Washington County Local Development Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose
